RE: Scholarship

Once again the LHS Guidance Office is preparing for its annual SCHOLARSHIP FORM APPLICATIONS.

We are sending this letter out to any organization that was involved in administering scholarships to Leicester graduates in previous years. We do not want to make any assumptions of your organization's intention to be included in the scholarship process again this year.

In order to verify your participation this year we are asking that you fill out the form included with this letter and return it to the guidance office. You can fax the form back to us at **508-892-7034**, mail it back to the office at the address listed above or email the form to moralesl@lpsma.net. We know information can change from year to year and the form will help us to be sure to have the correct information on file for your organization. We need the form back by February 9, 2021. This will allow us time to get the scholarships listed online, dispersed to the students and then back to us with enough time for us to prepare for our annual Senior Awards Night.

We are also asking those of you who will be offering an award to notify the guidance office of your recipient(s) as soon as you select a student, with the latest possible notification date of May 9, 2021. Notifying the guidance office by this date allows us the necessary time to ensure your scholarship is presented at The Senior Awards Night which is held at Leicester High School. We greatly appreciate the opportunity to recognize your scholarship and the student recipient at Awards Night and this deadline ensures that we will include all those who wish to be.

We thank you for your continued support of Leicester High School and its graduates, and for your gracious generosity that we know takes hard work all year long.

Sincerely,

Liandra Morales
Guidance Secretary
Leicester High School
